**GAME ASSIGNMENTS: CONFLICTS OF INTEREST
CERTIFICATION**

The Texas Association of Sports Officials (TASO) has a very specific policy regarding *conflicts of interest in game assignments*, which is as follows:

An official **SHALL NOT KNOWINGLY ACCEPT ASSIGNMENT OF A CONTEST** if any of the following conditions exist:

- A. If there is a TASO Chapter that makes assignments through an assignment secretary and the assignment did not come through any authorized chapter assignments procedure;
- B. If any official assigned to the contest is not a member in good standing of the appropriate TASO division;
- C. If the official or the official's spouse is employed by any school fielding a team involved in a contest;
- D. If the official is related by blood or marriage as follows: {parent, grandparent, child, grandchild, brother, sister, brother-in-law, son-in-law, etc.} to a person affiliated with a team involved in a contest;
- E. If the official and any person affiliated with a team involved in a contest are former or present teammates, roommates, classmates, business associates or close personal friends;
- F. If the official or the official's spouse attended or worked at either school **within the last 5 years**;
- G. If the official has a child in school in one of the involved schools or a child who graduated from one of the schools **within the previous 5 years**.

The policy further requires that an official should notify the assigning authority of any conflicts of interest **prior** to game assignments. In addition, an official must notify the assigning authority if the official receives his schedule and determines that a conflict of interest exists. **Any conflict of interest, except a conflict caused by A. or B. above, may be waived by mutual consent of both head coaches. It is a sanctionable violation of the San Antonio Chapter and TASO policy to work a contest in violation of these rules and an official violating these provisions may be placed on probation, fined, suspended or terminated from membership.**
